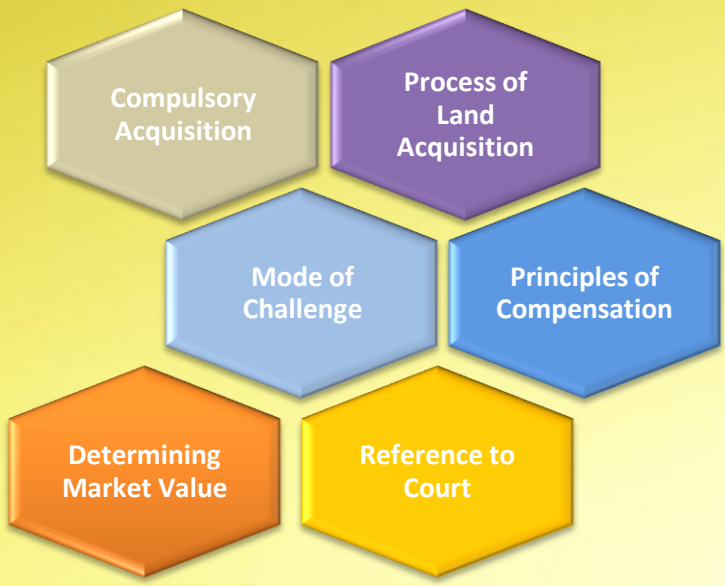
MahWengKwai & Associates

ADVOCATES AND SOLICITORS

PUBLIC SERIES LUNCH TALKS: "Land Acquisition, Compensation & Disputes"



ABOUT OUR TALKS

At MahWengKwai & Associates we believe in working closely with our clients to protect and grow their business. An important part of this relationship involves the sharing of knowledge and experience. As Malaysia's trusted lawyers, our commitment is to keep our clients up to date with changes in the legal environment and well informed on a variety of management topics. We are also keen for our clients to develop their networks and explore possible collaborations with participants.

Our lunch talks are complimentary and are open to our clients, professionals, directors, management executives, business owners, legal counsel as well as anyone interested in expanding their knowledge. We ensure our presentations are relevant to you in an easy-to-understand format.

LEARNING OUTCOME:

By attending this talk, participants will learn about:

1. The process of compulsory land acquisition pursuant to the Land Acquisition Act 1960;
2. The hearing of objections by the Land Administrator;
3. Challenges to the decision to acquire land;
4. Objections to the award of compensation;
5. The role of the judge, assessors, valuers and lawyers in the land reference process; and
6. The possibility of and challenges faced in appeals against land reference decisions.

Date : Tuesday, 27th August, 2013
Time : 12:30pm - 2:30pm
Venue : Conference Room, MahWengKwai & Associates, Level 10-1, Tower B, Menara Prima, Jalan PJU 1/39, Dataran Prima, 47301 Petaling Jaya, Selangor

SPEAKER PROFILE

Raymond Mah heads our dispute resolution practice group. His primary areas of practice are in civil and corporate litigation, appeals and arbitration. He is a certified adjudicator and has experience in a variety of construction and land related disputes, including:

- Claims arising from unforeseen adverse physical conditions in the construction of a dam;
- Disputes arising from plumbing works for a residential development project;
- Disputes on design faults arising from the collapse of a basement car park;
- Disputes arising from the electrical and telco works for a resort development project;
- Claims for outstanding progress claims for the construction of a residential development project;
- Working closely with experts and witnesses, including civil and geotechnical engineering consultants.
